

The Right Chemistry for Every Situation

HOT-UP[®]
SPRAY ADJUVANT

Patented technology blending mineral oil, surfactant and ammonium sulphate for non-crop use

ENVOY[†]
SPRAY ADJUVANT

Unique 3-in-1 canola-based adjuvant for better spread, faster uptake and improved buffering

INFILTRATOR[®]
SPRAY ADJUVANT

Reliable canola-based adjuvant for better adhesion and absorption in hot dry conditions

DELUGE 1000
WETTING AGENT

Concentrated non-ionic surfactant, ideal for spreading knockdown and in-crop herbicides
